## HOW TO PLAY CASH4LIFE

It is so easy to play **Cash4Life** – with even more chances to win!

1. Players select five different white-ball numbers from 1 to 60 and one CASH BALL number from 1 to 4. Numbers can be chosen using a digital playslip or marked on a paper playslip. Players may also choose “QP” (Quick Pick) to allow the Draw Games terminal to randomly choose their numbers for them.
2. Players can select multi-draw wagers in the “MULTI DRAW” section to play their numbers up to 14 consecutive drawings.

Each **Cash4Life** play is \$2 per draw.

## DRAWINGS

**Cash4Life** drawings are held every night at 8 p.m. **Cash4Life** tickets are available for sale daily except during the draw break starting at 7:45 p.m. until 8 p.m.

## INSTANT WINS WITH EZ MATCH

Players can also win CASH INSTANTLY, when they add the EZ Match option to their **Cash4Life** play!

Generating a Quick Pick **Cash4Life** EZ Match ticket is easy! Press the EZ Match button on the home screen of the Lottery terminal, and select the **Cash4Life** EZ Match button.

Players can select the **Cash4Life** EZ Match option on a digital or paper playslip. Like the other games offering EZ Match, the option can be added for an **additional \$1** per play. Each play with the EZ Match option prints as a separate ticket.

If the EZ Match option is chosen, five EZ Match numbers will print on the **Cash4Life** ticket below the **Cash4Life** numbers. If any of the EZ Match numbers match any of the player's five white-ball number (regardless of order), the player INSTANTLY wins the prize amount printed next to the matched EZ Match numbers. **The CASH BALL number is not eligible for EZ Match.**

**Cash4Life** tickets with or without EZ Match cannot be cancelled.

## CASHING WINNERS

A winning EZ Match play can be cashed at any retail location either before or after the game's drawing.

- If the EZ Match play is cashed **BEFORE** to the drawing, an exchange ticket will be produced for the upcoming drawing, just like when a multi-draw winning ticket is cashed before all drawings have occurred.
- If a winning EZ Match play is cashed **AFTER** the drawing, and the play wins both the EZ Match play and in the drawing, the prize will be added together and paid in one lump sum.

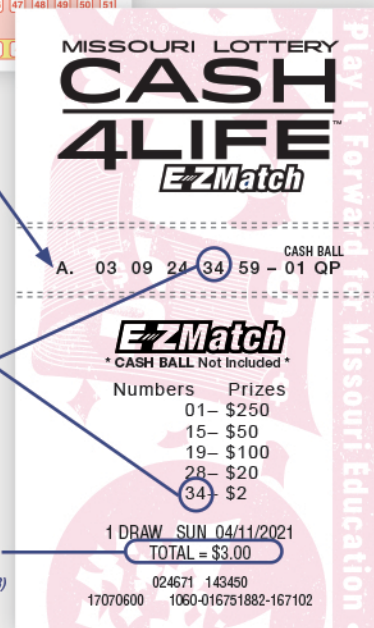

Players can add EZ Match for an additional \$1 per play.
