

CASHING EZ MATCH WINNERS

A winning EZ Match play can be cashed at any retail location either before or after the game's drawing.

- If the EZ Match play is cashed BEFORE the drawing, an exchange ticket will be produced for the upcoming drawing, just like when a multi-draw winning ticket is cashed before all drawings have occurred.
- If a winning EZ Match play is cashed AFTER the drawing, and the play wins both the EZ Match play and a prize in the drawing, the prize will be added together and paid in one lump sum.

RETAILER COMMISSION AND SELLING BONUSES

Retailers will receive:

- 5% commission on all **MO Millions** tickets you sell.
- 2% cashing bonus on all winning **MO Millions** tickets you cash (on prizes up to \$600).
- \$5,000 bonus when you sell a jackpot-winning ticket.
